

# Legacy

Investing Today to Impact Tomorrow

Winter 2013/14

## Grand Traverse Pavilions Marks 15th Anniversary

Time flies. It's now the 15th anniversary of Grand Traverse Pavilions and the phenomenal growth of the region's premier senior community is note worthy.

As many locals recall, The Pavilions opened in 1998 as the new name and home of Grand Traverse Medical Care Facility. The facility was located in a four-story building that was demolished to make way for the Munson Medical Center Emergency Department.

Grand Traverse Medical Care Facility came unto its own in 1959. It was the state's first combined home of a long-term care facility and the county health department. At first, the organization was housed on two floors and later in 1967 two more floors were added.

In 1998, when residents of Grand Traverse Medical Care Facility moved into their new home, more than 200 volunteers assisted with the transition. It was an anxious time for many, but when all was said and done, it was an inspirational and memorable experience.

Over the course of time, several new programs and services became a mainstay at The Pavilions. In addition to long-term care and dementia services, assisted living, adult day services, and overnight respite were added to the mix. Their introduction was in direct response to the changing needs of our aging population.

An intense focus on aging and retiring Baby Boomers placed added emphasis on healthy living and short-term rehabilitation. In 2002, construction on site of The Wellness Center introduced a new demographic to our community. The Center offers an array of outpatient therapy, swim classes for children, and aquatic fitness classes. State-of-the-art equipment along with a 92-degree therapy pool provides a therapeutic and restorative environment for residents, staff, and members of the community.

Just a few years ago, the new Rehab Center at Grand Traverse Pavilions, an integral component of Grand Traverse Medical Care, introduced a hospital to home care plan

to patients recovering from surgery. In such a short time, the Center has introduced more than 500 individuals to "The Pavilions experience."

In January 2013, to complete the continuum of care, independent living apartments were added to the historic accommodations known as "The Cottages." Located on the third level of Hawthorn Cottage, the apartments offer the best view of The Commons and accommodations and amenities that are second to none.

Our 15th Anniversary is another milestone for us and for those who come after us. Join us as we mark this milestone with deep appreciation and expectation of the years ahead.

There is much to be proud of in celebrating 15 years. Not enough can be said about the more than 430 employees who are committed to our residents. Their work is exemplary. The 300 volunteers who support staff and residents are truly noble. The 330 residents and hundreds of day program participants are cherished members of our community.

# Thank You For All You Do

*As another year comes to a close, I would like to say thank you for all that you have done to make Grand Traverse Pavilions a beautiful home in which our residents, families, and staff feel safe, happy, and comfortable.*

*Recognized as the gold standard in senior living, the programs and services of Grand Traverse Medical Care and The Cottages continue to enjoy capacity census. Day programs such as adult day services and overnight respite along with outpatient therapy and classes in both our Rehab Center and Wellness Center maintain rigorous enrollments of hundreds of participants.*

*Now in its 16th year, Grand Traverse Pavilions Foundation is gifted charitable donations that impact our community. Special fund-raising events benefit from individual and business support. Charitable gifts have facilitated the purchase of medical and rehab equipment, vehicles, accouterments to our beautiful campus, and benevolent support for those in need.*

*As you prepare for year-end giving, please consider a gift to the Grand Traverse Pavilions Foundation to help meet the growing needs of our aging population. Providing an important and needed service to our communities most vulnerable citizens, Grand Traverse Pavilions relies on your support to fulfil our mission.*

*On behalf of the Department of Human Services Board, Foundation Board, and Administrative Team, I thank you for your continued support of our mission. Best wishes to you and your family during this holiday season.*

## Share The Music Of The Season

The multi-platinum recording artists Mannheim Steamroller will team up with Grand Traverse Pavilions Wednesday, December 25, in a melodic celebration of the holiday season. On Christmas Day, from 10 a.m. until 10 p.m., the joyous sounds of Mannheim Steamroller can be heard on NewsTalk 580, WTCM-AM.

This is the second year that The Pavilions will exclusively sponsor the music of Mannheim Steamroller throughout Christmas Day.

Administrator and Chief Executive Officer Kory Hansen believes it's a wonderful way to share the sounds of some of the world's finest holiday musicians with our residents and staff along with the individuals, families, and businesses who support The Pavilions. It's a unique way to say thank you.

In addition to this special music, hundreds of local youth groups, school children, church groups, boy scouts and girl scouts volunteer countless hours during the holidays to sing to the residents and staff and share the music of the season.

In addition to music, the volunteers also share holiday cards, sweet treats, one-on-one visits, and a range of activities. It speaks to the season when the traditional table-size gingerbread house is created by volunteers and displayed for all to see and enjoy. It's also magical when the majestic 18-foot tree in the lobby greets all.

# Swinging on a STAR

A capacity audience recently enjoyed a night of exquisite cuisine and entertainment at The Hagerty Center during Generations Gala. The annual fund raiser netted approximately \$40,000 for Grand Traverse Pavilions Foundation. Forty-six corporate sponsors and more than 200 businesses supported the event.

# Healing Garden To Offer Reflective Place

The next time you're in front of Grand Traverse Pavilions, imagine a contemplative garden and fountain within the grassy circle.

As a healing and wellness initiative, Grand Traverse Pavilions Foundation is seeking donations to design and construct a Healing Garden in the round in that location.

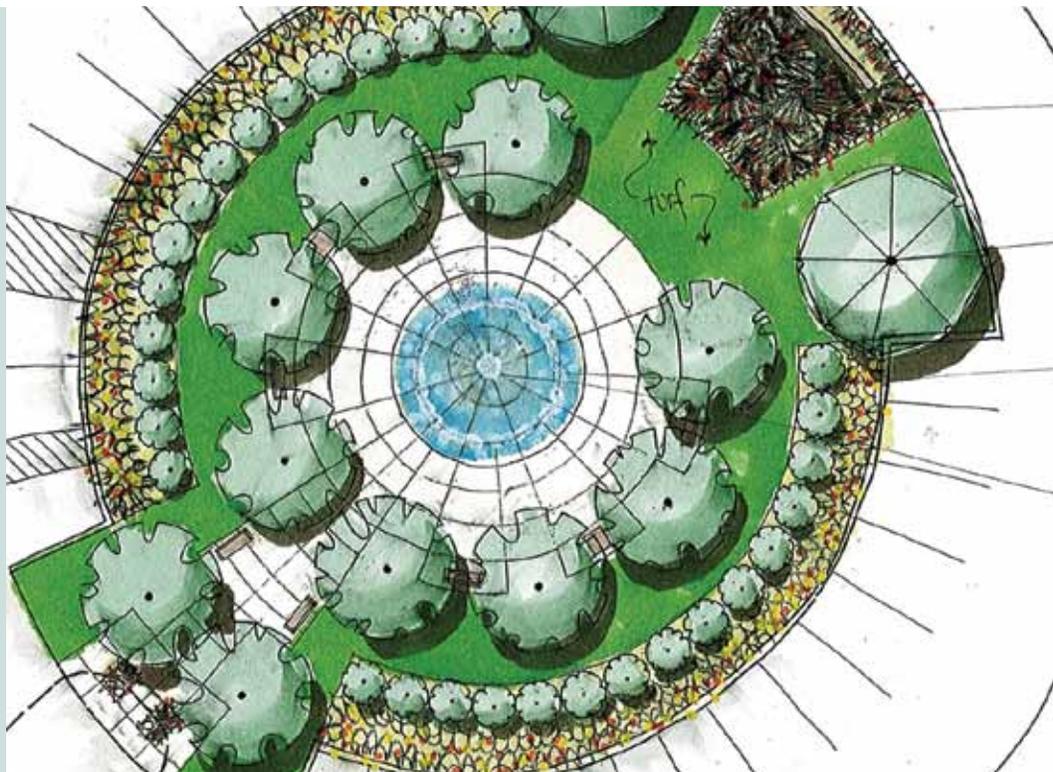

Findings from numerous studies indicate that simply viewing certain types of nature and garden scenes significantly ease stress, helps calm individuals, and improves clinical outcomes.

A well-designed Healing Garden will have a positive impact on our residents, guests, staff, and families, according to Patti DeAgostino, Marketing & Community Relations Director.

"The garden will not only provide restorative and pleasant natural views, but will offer specific outcomes for residents with chronic illnesses, Alzheimer's and dementia, visual impairment, sensory and hospice needs," DeAgostino said. "It will be the site for meditation, where individuals can relax and concentrate as a healing experience."

DeAgostino noted that throughout history, healing gardens have been used to aid in the healing process - from the Japanese Zen Garden to the Monastic Cloister Garden. However, with the advances in medical technology in the 20th century, the use of gardens as healing elements began to diminish.

She said a Healing Garden is a natural outreach of The Wellness Center at Grand

Traverse Pavilions, where wellness is more than fitness. It is an attitude. A way of life.

The Healing Garden will have a number of naming opportunities, including brick pavers, benches, garden flora and fauna, trees, and other accouterments.

In addition, a fountain will serve as the focal point for the construction. The water element will provide sensory satisfaction, a major source of related health benefits.

"As a memorial or tribute to a loved one or friend, the Healing Garden will provide a natural

setting for their recognition," DeAgostino said. "It will also enhance the organization's Eden Alternative Program, which introduces pets, plants, and children into the long-term care environment to eliminate boredom, depression and loneliness."

The Healing Garden is projected to cost about \$200,000 to complete, of which \$35,000 has been raised to date.

To donate to the Healing Garden, or for more information, contact the Development Department at (231) 932-3019 or visit online at [gtpavilions.org](http://gtpavilions.org).

## Respite Grants Received For Adult Day Services And Overnight Respite

The Area Agency on Aging of Northwest Michigan gifted a \$10,500 grant to Grand Traverse Pavilions Foundation along with Northern Lakes Community Mental Health, which provided a \$12,000 grant.

These grants offer financial assistance to participants, who can not afford full market rates in the daily and overnight respite programs. They provide over 2,600 hours of services to low-income seniors who qualify.

Adult day services is an important service at Grand Traverse Pavilions. It provides daily

respite for care givers and quality time for its participants. If service is required overnight, there are opportunities for extended stay.

The service offers at-home care givers an opportunity to engage in those activities that might otherwise not get done because of the twenty-four hour, seven days a week responsibilities of caring for a loved one at home.

Adult day and overnight respite participants have the opportunity to participate in a variety of social and recreational activities with people their own age. At the same time, professional

staff are nearby to meet the individual needs of the participants and to support strengths, abilities, and independence.

The programs also include dementia care, daily exercise, intergenerational age exchanges, music, and picnics among other activities. Transportation within a 10-mile radius of Grand Traverse Pavilions is available.

For additional information, please contact Penny Hanks, Residential Services Director, at (231) 932-3045.

## Grand Traverse Pavilions Foundation 2013-14 Board of Directors

### Officers:

Evelyn Richardson, Cedar, President  
Dennis Prout, Traverse City, Vice President  
Kory Hansen, Traverse City, Secretary  
Gary Columbus, Traverse City, Treasurer

### Directors:

Sandra Al-Shamma, Williamsburg  
Robert Blackmer, Traverse City  
Christopher Chang, Traverse City  
George Crisman, Traverse City  
Jon Cump, Traverse City

## Congratulations Employee Scholarship Winners!

Scholarship winners Emily Ball, Shayna Sanor, Jamie Wilson, Kristen Anderson and Sandy Prescott.

Through the financial support of donors, Grand Traverse Pavilions Foundation provides financial assistance with college or university tuition. This occurs twice a year (spring & fall semesters) for eligible employees through a competitive application process.

The scholarships allow staff upward mobility within the Organization. For example, a CNA may study to become an LPN, or an LPN may work towards being an RN, who may also strive for a Bachelor of Nursing Degree. Others may pursue degrees in business.

To be considered eligible, applicants must be employed by the Organization for at least one year, in good standing, with a position of 48

or more hours per pay period. Course of study must be reasonably related to the duties of the employee's current position or another position within the Organization for which the employee is preparing to qualify. Curriculum must be from a licensed and approved college or university.

Up to five awards are given each semester, with scholarship money paid out in two installments. The amount of the scholarship is based on foundation funding and is set at the beginning of each year. This year's recipients received \$250 per semester to put towards tuition costs.

Congratulations to our five award winners!  
We wish them best of luck with their studies.

## Foundation Awards \$1,000 To Traverse City Raffle Winner

Grand Traverse Pavilions Foundation presented \$1,000 to Sherri Varner of Traverse City as the winner of the 2013 Foundation Raffle (R21429). The raffle was sponsored by Fifth Third Bank

The winning ticket was drawn at Generations Gala on October 5 at The Hagerty Center. John Melcher of Fifth Third Bank pulled the ticket.

This year's raffle was the most successful to date and secured \$3,908 for The Foundation.

Proceeds will benefit senior programs and services at Grand Traverse Pavilions.

Previous raffles held by The Foundation have awarded iPADS and a large-screen television to past winners. Although all of the past winners were present at The Gala, this year's lucky ticket hold was not.

For more information on the 2014 raffle, contact the Marketing Department at (231) 932-3027.

# The Rehab Center Bridges The Gap Between The Hospital And Home

Life can deliver some unexpected twists. Accidents, sudden illnesses or emergency situations can happen when you least expect them. The Rehab Center at Grand Traverse Pavilions has the resources to help patients return home to loved ones and an active lifestyle.

Unrestricted donations to Grand Traverse Pavilions Foundation help to purchase unbudgeted, state-of-the-art equipment to enhance the quality of therapy available.

Celebrating more than two years in operation, The Rehab Center has evolved in response to shorter hospital stays. On January 14, there will be an open house to view both The Rehab Center and The Wellness Center. Therapists will be on hand to answer questions from 4-8 p.m.

In the best interest of the individual, the Center bridges the gap between a hospital stay and home. In the past, patients simply stayed at a hospital until they were well enough to go home without needing too much assistance. Today, because many people are unable to return home after discharge, The Rehab Center is a respite en route to full recovery.

## Accommodations

Designed with the well-being of patients in mind, The Rehab Center is located on the main level of The Pavilions. It features semi-private and private suites. The spacious accommodations are comfortable recovery environments. The furnishings speak to the warmth of intimate healing spaces.

Directly across from The Rehab Center is a state-of-the-art gym equipped with the latest equipment and technology. There are simulated living spaces within the gym that enable patients to experience returning to

driving a car, working in a kitchen, and getting in and out of bed.

There is a uniquely designed therapy pool. The 92-degree pool is outfitted with a chair lift for those individuals in need of assistance to get in and out of the pool. The warm water therapy is recommended for individuals who are experiencing strength, range of motion, endurance, balance, and coordination deficits.

## Forms of Therapy

In the past, rehabilitation simply meant physical therapy with the goal to reduce pain and increase strength. Today, rehabilitation services overlap. For example, an accident victim might need both physical and occupational therapy to recover as much as possible while learning how to adapt to new limitations.

Some people recovering from a stroke might benefit from a combination of physical, occupational and speech therapy to re-teach the brain information it might have lost.

Rehab in a facility offers more therapy than home care, it allows for quicker recoveries. The Rehab Center offers many types of therapy, including Aquatic, Occupational, Physical, and Speech Therapy. The injury or illness of the patient determines the customized type of therapy prescribed.

In all cases, The Pavilions suggests a patient continues to consult with his or her regu-

lar physician, as needed. During a patient's therapy, staff will communicate frequently with the physician and provide information on the patient's evaluation, progress and discharge plans. Regardless of what kind of therapy an individual needs, the goal is always to restore each patient's ability to function comfortably at home. There is also an option to continue therapy after being discharged home.

## Team Approach

The specialized team assigned to The Rehab Center at Grand Traverse Pavilions includes licensed aquatic, physical, occupational, and speech therapists. Nursing supervision is on a 24-hour basis and case managers act as a liaison to better serve patient needs. The team is augmented by local neuromuscular and physio-psych physician consultants.

For additional information and a tour, call (231) 932-3050.

## Two Educational Series Feature Local Experts

The Successful Aging and Cottage Coffee series are an excellent opportunity to present local aging experts and speakers on a variety of topics. The series is sponsored, in part, by Comfort Keepers.

Now in its fourth year, both educational presentations are held monthly at Grand Traverse Pavilions. Successful Aging takes place on the third Monday of each month at 2 p.m. in the multi-purpose room in the main building. Cottage Coffees are held on the second Tuesday of the month at 10 a.m. in historic Hawthorn Cottage.

## February's Jazz D'Vine to Feature Jeff Haas Trio

The combination of cool jazz and silky, rich wine on a mid-winter afternoon in northern Michigan is designed to cork cabin fever blues. It is also a sweet and savory way to help Grand Traverse Pavilions Foundation and our senior community.

Grand Traverse Pavilions Foundation in collaboration with Chateau Chantal will present Jazz D' Vine on Sunday, Feb. 23, from 2-4 p.m. at the Old Mission Peninsula winery. This is the fifth consecutive year this event has taken place. Tickets are limited and reservations are necessary.

Jazz D'Vine is sponsored, in part, by TV 9&10, FOX 32, and the Grand Traverse Insider. The popular fund raiser will feature a live performance by the Jeff Haas Trio along with wine pours, cheese samples, a tour of the wine cellar and wine making process by a Chateau wine educator.

The wines featured during the event will be available to attendees with 20 percent of the proceeds donated to the Grand Traverse Pavilions Foundation.

Jazz D' Vine will take place in Chateau Chantal's Hospitality Room, which comfortably accommodates groups in a warm and inviting atmosphere. The room features views of the Grand Traverse Bay that surround the peninsula and the beautiful countryside that envelops the chateau.

Tickets for Jazz D' Vine are \$25 per person and are available by calling the Marketing Depart-

ment at Grand Traverse Pavilions at (231) 932-3027. Proceeds will be used to provide programs and services at Grand Traverse Pavilions to older adults.

Guests will also receive a 50 percent discount on a second dinner that night at nearby Old Mission Tavern. The Jazz D'Vine ticket(s) must be presented to wait staff before the meal to access the discount.

The idea for Jazz D' Vine originated with Chateau Chantal, which sent out letters several years ago to nonprofit organizations in the region with an offer of three special events on a first come, first serve basis, according to Ann Pettyjohn, events coordinator and front desk supervisor.

"We know the uncertain economic climate has made it harder to solicit donations and sponsorships from tight pockets" Pettyjohn said. "This was our way of helping local nonprofit groups during these strenuous fund-raising times."

Pettyjohn noted that Chateau Chantal and the Jeff Haas Trio have enjoyed presenting Jazz at Sunset since 1994 and as a result of this long-standing and successful collaboration are pleased to offer these fund-raising opportunities.

"We were looking for away to keep jazz available in the off season while supporting local organizations," she added. "The partnership with Grand Traverse Pavilions Foundation has been truly successful."

## End-of-Year Giving Provides Mutual Benefits

As the year draws to a close, Grand Traverse Pavilions Foundation thanks all of our donors for your support of our many special events, fund raisers, and campaigns.

Please take a moment and consider a year-end gift to The Foundation. Not only will it improve the quality of life of our community, but it will provide you with a tax-deduction in your personal portfolio.

Take a look at what your gifts have done this year. Your financial contributions in 2013 have enabled us to purchase additional benches and picnic tables for our arboretum. We constructed pathways to enable individuals and guests to enjoy our back yard. We purchased a car to transport residents from The Cottages to The Rehab Center and medical appointments. Medical and rehab equipment was also acquired.

Indeed, it's been a banner year. We have set record attendance and sponsorships for our Concert on the Lawn Series, and net approximately \$40,000 from Generations Gala. Our signature raffle brought in record proceeds of \$3,908 to benefit The Foundation.

At the heart of all that we do are our residents. Paul Corrad, the son of our former resident Vietta Corrad, shares, "You hear things about nursing homes and it worries families, but our family feels our mother received the best care. It really made the family feel comfortable that she was in good hands."

Former resident Doris Sloan concurs. "I was sent to The Pavilions for two weeks after hospitalization. I was treated the best in the world. I asked if I could please get my hair washed; here comes Lisa, and in 30 minutes I got my hair done. I can't tell you how well I was treated. They treat you like you are their own mother."

Please rest assured that a contribution to the Grand Traverse Pavilions Foundation will enable us to continue to respond to our resident needs and enhance their quality of life.

An envelope is enclosed in Legacy for your tax-deductible donation. You may also make your gift online at [www.gtpavilions.org](http://www.gtpavilions.org). If you have any questions, please contact our Development Office at (231) 932-3019.

## Sponsorship Opportunities Open to Local Business; Record 12 Concerts to Take Place This Summer

Sponsorship opportunities ranging from \$1,000 to \$5,000 are available for the increasingly popular and expanding Summer Concert On The Lawn Series.

Last summer's sponsors were Cherryland Electric Cooperative, Alpine Electric Co., Fifth Third Bank, Aroma's Coffee & Tea, Traverse City Record-Eagle, Home & Hearth, WCCW-FM, Munson Medical Center, Fox 32, Heartland Home Health Care & Hospice, Miller & Miller, WTCM-AM/FM, Hospice of Michigan, and TV 9 & 10 News.

The popular series will expand this summer to include 12 concerts. The entertainment will begin on Thursday, June 19, and run through Thursday, September 4.

Due to the increasing numbers of attendees and interest by local artists to perform in the series, the concerts have now become a staple during the summer in Traverse City.

The Concerts On The Lawn Series benefits Grand Traverse Pavilions Foundation. While corporate sponsorships help to defray costs with the concerts, baskets are passed to raise funds towards improvements to the Grand Lawn. More than \$11,000 was raised last summer from concert attendees.

All concerts are free and open to the public. Concessions are available beginning at 6 p.m. each evening of the concerts. To sponsor a concert, please call (231) 932-3027.
