Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 43, ISSUE 1

POSTED: 11.17.2023

We are experiencing an COVID outbreak in the facility. Birch and Dogwood pavilions have been affected, both units are in isolation. There have been 30 residents with mild to moderate symptoms. Treatment varies between individuals and symptom management. We have also had 3 staff members who have been affected.

We ask that if you choose to visit, please wear a well fitting mask and practice good hand hygiene. Visiting these units will expose you to COVID and you may contract the virus. Should you have symptoms or become positive for COVID please notify us.

We are happy to announce our current census is at 150, 5 ahead of our. As we continue to recruit direct care staff we plan to make more beds available the first of the new year.

You will be receiving an invite to our Holiday Sweets and Treats on December 14th from 2:30-4:30. If you plan on joining your loved one please RSVP by November 30th to Linda 231-932-3159 or Kari 231-932-3032.

As always, please feel free to contact your unit Assistant Director of Nursing (ADON) or Social Worker (SW) if you have any questions or concerns. Please contact Shelby, the director, or Natalia, the nurse for the Cottages.
