

WEEKLY FAMILY UPDATE

Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 23, ISSUE 3

POSTED: 2.17.2022

The Grand Traverse Pavilions is required to report that we again had **no new** cases of COVID in the Skilled Nursing Facility (SNF) or cottages resident population. We are officially out of outbreak testing. Vaccinated staff are tested if exposed to an individual or has symptoms. Since our last update, we have had two staff positives due to outside exposure.

The Pavilions has been recognized nationally for its outstanding vaccination rates for residents and staff. As of this posting, **98.6%** of the Pavilions residents, as well as, **92.1%** of all staff (Pavilions and Cottages), are fully vaccinated and for the cottages, **98%** of residents, are fully vaccinated.

Inquiries for Admissions to the Pavilions and Cottages are currently being accepted. Additionally, the Pavilions and Cottages are open for visitations as outlined in the visitation policies posted on the website under the Family Weekly Update tab.

The CDC published "community spread rate" published on 2/3/22 is **23.8%**. Prevention/Control Measures are represented as **HIGH** (through 2/20/2022) on the COVID-19 Prevention and Source Control Form provided on the website, and will remain in effect through the next reporting period. The current strain is affecting individuals from the unvaccinated to those who are fully vaccinated and have received a booster.

Our residents both at the SNF and the Cottages are provided masks for use on outings, appointments and during visitation.

We ask visitors be sensitive to the health and wellness of our vulnerable population and our valuable direct care staff, by:

- ◆ Bringing and wearing a well-fitting mask that covers the mouth and nose. For clarification, a "well-fitting" mask does not include bandanas or neck gaiters.
- ◆ Avoiding visitations during meal times as they disrupt meals and may impact the wellbeing of your loved one/friend.

Meal times

SNF: 8:30-9:30AM, 12:30-1:30PM and 5:00-6:00PM

Cottages: 7:00-9:00AM, 1:00-1:30PM and 6:00-6:30PM

- ◆ Part-time staff has now been secured to welcome and screen visitors on the weekends with limited hours on Saturday and Sunday for a four hour shift. Each cottage has a screening station. If you are having trouble please seek staff assistance.
- ◆ Please be of good health (having no temperature or COVID symptoms) is essential, and if you have not already done so, please consider getting vaccinated before visiting the Cottages and the Pavilions!

We are still offering electronic visits utilizing many different platforms in all areas of our campus.

If you have any questions please contact the pavilion Assistant Director of Nursing (ADON) or the assigned social worker. For the cottages please contact the director, Shelby Mack or the cottage nurse, Natalia Johnson.

Stay Healthy!

Rose
