

WEEKLY FAMILY UPDATE

Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 28, ISSUE 5

POSTED: 7.29.2022

COVID numbers still remain high in our community. The Pavilions saw no new cases of COVID in our resident population, and one staff member test positive in the last week. Residents that had contact with the staff member or the resident are being tested and will be for 14 days following the exposure.

We ask that you help reduce the risk of spreading the virus by continuing to wear a well-fitting mask, by encouraging the visiting resident to wear a well-fitting mask, by maintaining social distancing and by using good hand hygiene during all visitations. Please notify Pavilions Nursing staff if you develop symptoms or become positive for COVID within 14 days of your visit. Lastly, we ask for patience as delays in answering the phone and the lobby door will occur due to providing care for our residents.

The weather is now allowing for outdoor visitations and we will be happy to assist in facilitating those for you. In the main building, if you would like to take your loved one on the back lawn please contact the unit to make arrangements to meet at the back door of the unit. You can meet your loved one there and return them to there at the end of the visit. If you would like to visit out front or are leaving the grounds, please remember when you return to bring your loved one back up to the pavilion or to stay with them until staff arrive.

Last night, Concerts on the Lawn welcomed a great crowd for *Peter, Paul, and Mary Remembered*. The next concert will be Thursday, August 4th at 7PM featuring *The Backroom Gang*. For concerts if family members wish to take their loved one out to the concert, please call the pavilion earlier in the day on Thursday or notify the social worker. They will have your loved one ready at the back door of the pavilion with the sign out book. Please proceed to the back door and sign out your loved one for the concert. Once the concert is over you can return to that door and staff will assist you there. If you are unable to attend the concerts, residents are still able to attend and may sit under the white tent with other residents and staff. The tent is for residents only. No families or visitors will be allowed under the tent. Cottage residents may be escorted to the concert by family or by staff. Please contact your unit ADON or SW if you have any further questions or concerns. Please contact Shelby, the director, or Natalia, the cottage nurse for the cottages.
