Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 40, ISSUE 1

POSTED: 7.7.2023

Grand Traverse Pavilions has seen no new cases of COVID in the resident population in both the nursing home and Cottages, or the staff in the last week.

The concerts on the lawn continue this Thursday July 13, 2023 with Miriam Pico and Friends performing. We will assist residents out to the tent by the Cherry unit. If you wish to sit with your loved one you may assist them from the tent area with staff assistance or you may sit with them if under the tent. Cottage residents may be escorted to the concert by family or by staff.

With residential care facilities' requirements being rescinded as well as the NH reporting of vaccinations etc. this will be the last Family Weekly Update posted on a weekly basis. If there is a need for us to update families in the future we will do so on this platform.

As always, please feel free to contact your unit Assistant Director of Nursing (ADON) or Social Worker (SW) if you have any questions or concerns. Please contact Shelby, the director, or Natalia, the nurse for the Cottages.
