

WEEKLY FAMILY UPDATE

Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 28, ISSUE 2

POSTED: 7.8.2022

We are happy to announce that we have not had a new case of COVID in our resident population since 6/17/22 for the main building and 6/23/22 for the cottages. We have completed our outbreak testing. Our outbreak totaled 45 residents in the main building from 4/29/22 through 6/17/22. The cottages totaled 4 residents for the same time frame. Forty staff members throughout the organization were also affected.

We ask that you help reduce the risk of spreading the virus by continuing to wear a well-fitting mask, by encouraging the visiting resident to wear a well-fitting mask, by maintaining social distancing and by using good hand hygiene during all visitations. Please notify Pavilions Nursing staff if you develop symptoms or become positive for COVID within 14 days of your visit. Lastly, we ask for patience as delays in answering the phone and the lobby door will occur due to providing care for our residents.

The weather is now allowing for outdoor visitations and we will be happy to assist in facilitating those for you. In the main building, if you would like to take your loved one on the back lawn please contact the unit to make arrangements to meet at the back door of the unit. You can meet your loved one there and return them to there at the end of the visit. If you would like to visit out front or are leaving the grounds, please remember when you return to bring your loved one back up to the pavilion or to stay with them until staff arrive.

The *Concerts on the Lawn* started last night to a wonderful crowd. The next concert will be Thursday, July 14th at 7PM. We will assist residents out to the tent by the Cherry unit. If you wish to sit with your loved one you may assist them from the tent area with staff assistance or you may sit with them if you are wearing a mask. Please do not sit under the tent with residents without wearing a mask. Even though we are outside the physical distance of 6 feet still apply. Cottage residents may be escorted to the concert by family or by staff.

Please contact your unit ADON or SW if you have any further questions or concerns. Please contact Shelby, the director, or Natalia, the cottage nurse for the cottages.

We hope you stay well!
