

WEEKLY FAMILY UPDATE

Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 29, ISSUE 4

POSTED: 8.26.2022

While COVID numbers still remain high in our community, Grand Traverse Pavilions saw just one new cases of COVID in the Administrative staff, and no new cases in the resident population this week.

We ask that you help reduce the risk of spreading the virus by continuing to wear a well-fitting mask, by encouraging the visiting resident to wear a well-fitting mask, by maintaining social distancing and by using good hand hygiene during all visitations. Please notify Pavilions Nursing staff if you develop symptoms or become positive for COVID within 14 days of your visit. Lastly, we ask for patience as delays in answering the phone and the lobby door will occur due to providing care for our residents.

The weather is allowing for outdoor visitations and we will be happy to assist in facilitating those for you. In the main building, if you would like to take your loved one on the back lawn please contact the unit to make arrangements to meet at the back door of the unit. You can meet your loved one there and return them to there at the end of the visit. If you would like to visit out front or are leaving the grounds, please remember when you return to bring your loved one back up to the pavilion or to stay with them until staff arrive.

Last night was the final Concerts on the Lawn, and while it was a damp evening, the music provided by K. Jones and the Benzie Playboys provided a wonderful conclusion to the music series.

The concert series was provided through the generous support of community sponsors such as Serra Subaru of Traverse City, the Northwest Michigan Arts & Culture Network, and numerous local business partners who see the value of supporting a free, outdoor, music series that engages Pavilions residents, their families, and the community in a group music therapy initiative.

As always, please feel free to contact your unit Assistant Director of Nursing (ADON) or Social Worker (SW) if you have any questions or concerns. Please contact Shelby, the director, or Natalia, the cottage nurse for the cottages.
