

WEEKLY FAMILY UPDATE

Grand Traverse Pavilions update for Residents and Responsible parties during COVID-19

Vol. 42, ISSUE 1

POSTED: 9.13.2023

We are experiencing an outbreak in the facility of COVID. Birch, Cherry and Dogwood pavilions have been affected. These units are in isolation. There have been 18 residents with mild to moderate symptoms. Treatment varies between individuals and symptom management. We have also had 14 staff who have been affected.

We ask that if you choose to visit, please wear a well fitting mask and practice good hand hygiene. Visiting these units will expose you to COVID and you may contract the virus. Should you have symptoms or become positive for COVID please notify us.

As always, please feel free to contact your unit Assistant Director of Nursing (ADON) or Social Worker (SW) if you have any questions or concerns. Please contact Shelby, the director, or Natalia, the nurse for the Cottages.
