

WEEKLY FAMILY UPDATE

Grand Traverse Pavilions update for residents and responsible parties during COVID-19

VOL. 1, ISSUE 2

POSTED: 5.13.2020

The TBAISD-Career Tech Center Agri-Science Department made a lovely gift of hanging baskets which will adorn the Pavilions Courtyards and Cottage porches once the weather permits. The flowers are helping us celebrate National Nursing Home Week May 10 - 16, 2020

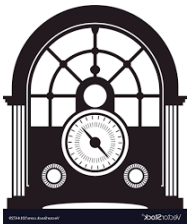

The Michigan Department of Licensing and Regulatory Affairs (LARA) is conducting Infection Control Surveys of public and private nursing facilities. The Department has suspended regular survey activities during the pandemic and is conducting Infection Control Surveys at all facilities with specific targets on COVID-19 prevention. The Pavilions has been inspected twice since the COVID-19 pandemic began. In both instances Grand Traverse Pavilions facilities were found to be in compliance. ***We continue to have no positive cases of COVID-19 in our resident or employee populations.***

Window Visits A Possibility in the Future

While the current “Stay at Home Order” remains in effect until Thursday, May 28, 2020, nursing leadership is considering the potential of allowing window visits through the activity room windows once the order is lifted.

Until then we continue to respectfully ask that resident family members **DO NOT** come up to windows or doors of the facility to try and visit with loved ones. The current policy is to request a virtual visit through your assigned social worker during the COVID-19 pandemic.

Concerts on the Lawn Not an Option for 2020 “Retro-Radio” Performances Being Considered

While we realize we can not host the Concerts on the Lawn as normal due to the social-distancing and the Governor’s current “Stay At Home” orders, we are looking at creative ways to bring the concerts to our residents and the community through a broadcast format in cooperation with Oldies 107.5FM WCCW Radio Station... ***“Please Stay Tuned!”***

1000 Pavilions Circle, Traverse City, MI 49684
