Neighborhood News

Many residents will be participating in outdoor activities. Sunburns can occur quickly and certain medications can increase the chances of being burned.

If you will be accompanying residents outside for any length of time, please ask your nurse for sunscreen. He/she will be able to assist residents with the application of sunscreen.

Another preventative measure for minimizing the chance of a sunburn is to wear a large brimmed hat. By taking these simple measures, you can help prevent sunburn.

DID YOU KNOW?

We have 4 "Doggie Stations" on The Pavilions campus.

The stations are located along the fire lane between the Rehab Center and Elmwood Ave, behind the Dogwood Pavilion, the sidewalk behind Aspen/Birch Pavilion and the sidewalk in front of Evergreen Cottage, facing the Grand Lawn. The stations have bags as well as a waste receptacle for your convenience. Thank you.

FaceTime has continued to play a huge role in keeping our residents and their families connected. To set up your next video chat with a Pavilions or Cottage resident, family members are asked to reach out to their individual social worker or life enrichment staff for more information. Video chatting can be done via FaceTime (Apple products), Google Duo or Facebook Messenger (Apple or Android products). We are not using Skype at this time.

HELP US HELP YOU

We are committed to providing excellent care and service. NRC Health, an independent outside resource, has been commissioned to conduct a satisfaction survey of our residents. We are asking for your assistance in completing the short survey, designed to give us feedback on levels of satisfaction with the care and service we provide.

Your input will help us in two very important ways. It will help us identify opportunities for improvement, as well as identify areas in which our staff has achieved excellence in the care and service they deliver.

**Please watch
your mail for
this envelope!**

**The envelope
will contain a
survey from
NRC Health.**

IMPORTANT INFORMATION:

It will take only a few minutes of your time to complete the survey.

Your responses are confidential. Surveys are processed by NRC Health and a summary report is prepared. This report does not include any information that can be linked to individual responses.

There is a form for written comments. If you choose to submit comments, the form will be shared with us. It is not necessary for you to identify yourself on the survey or comment form.

We strive for excellence! Your time and participation are greatly appreciated.

Your input is needed so we can continue to improve areas that are important to you.

Please complete the survey and return it to NRC Health in the postage-paid envelope provided. It is important that you return the survey by the due date.

We appreciate your help! Thank you!
